Phone: 218-879-0871

Activities during the week include:

* Ojibwemowin language
* Hands-on activities relating to the medical field
* Interactive science lessons
* Leadership skills
* Team building activities
* Variety of field trips

Nandagikendan Academy (Seek to Learn) offers opportunities for high school students to discover and explore options for higher education. Our focus is working with students and supporting their higher educational and career plans.

Our goals are to:

* Assist high school students with their college and career plans.
* Provide hands-on, experiential learning of college life.
* Build relationships and intercultural communication skills.
* Prepare students for academic success.
